*AFFILIATED WITH THE SERVICE EMPLOYEES INTERNATIONAL UNION*

Dear NAGE Local R1-200 Members:

It is an honor and privilege to be re-elected to serve as NAGE Local R1-200 President in the City of Bridgeport. Under my leadership, our Union has accomplished great things during the past 4 years, and it is my pledge to each and every NAGE member to continue that progress. To be sure, we currently are facing many uncertainties, including the continued threat of COVID-19. NAGE Local R1-200 will continue to press for the preservation and revitalization of NAGE members service to the City. Looking towards the future, it is now also the time to begin preparations for our next 3 years of contract bargaining. Rest assured that NAGE Local R1-200 is well equipped and prepared to fight, represent, and engage on all fronts. I am confident that, through the hard work of our bargaining team and with the support of our membership, the NAGE Local R1-200 team can achieve a 2024 Collective Bargaining Agreement for all NAGE Local R1-200 members that will include important improvements in the current terms and conditions of our employment.

I look forward to facing the challenges that lie ahead. Throughout my union career, I have always given my best effort to ensure that all my NAGE Local R1-200 members have the high caliber representation that they richly deserve. My goals as union president remain the same: to provide the best possible representation for all members of NAGE, whenever and wherever that representation is needed, whether at the bargaining table, in the arbitration hearing room, or at the Department of Labor. Moreover, we will continue to work with associations and community groups if it can further our causes. We will build alliances where mutual goals serve the best interests of the NAGE Local R1-200, and we will continue to remain active. My promise to all NAGE Local R1-200 members is to work hard and to work fair, so that NAGE Local R1-200 membership can continue to be proud of the accomplishments of their Union.

Thank you for your kind wishes, and for your continued support.

Yours in Union Solidarity,
